THE CENTERPIECE

The Grazing Table

A landscape of the season, built for the room and styled on arrival — the spread guests circle all night, or a light meal in itself.

\$24 / guest · styled, staged & cleared · 20-guest minimum

aged & soft cheeses · cured meats · seasonal & dried fruits
fresh & marinated vegetables · whipped and cultured dips
wildflower honey, jams & grain mustard · Marcona almonds & nuts
artisan breads, crackers & grissini · dark chocolate & sweets

We design the table to your palette and setting, bring the boards, vessels, and linens, style it in place on arrival, and clear it after. You bring the guests.
